

Please read the following document prior to your course. It is essential that you understand and follow these guidelines.

- Steel toe shoes or boots are mandatory
- Full length cotton or wool pants and a long sleeve cotton or wool shirt are mandatory.
- No rings, bracelets or necklaces can be worn. Exception is a medic alert item.
- Students are to provide their own water and snacks; we recommend at least 1 litre of water.
- Vans Blacksmithing will provide gloves, aprons and safety glasses (special glasses exempted).
- Participants must notify Vans Blacksmithing in advanced of any special needs of protective eye wear and must be supplied by the student.
- The waiver of liability must be completed prior to commencing the first class.
- All health and safety protocol must be strictly adhered to.
- There are no exemptions for level Criteria or Prerequisites.
- There are no makeup dates for missed classes unless the class is cancelled by Vans Blacksmithing. This may occur for various reason including but not limited to extreme weather condition ie. Outside temperatures or extreme weather. Classes will be rescheduled on next available date where possible. In the event that there is no available date to reschedule, class times may be increased to accommodate for the lost class or class fees refund in the form of gift certificates at the sole discretions of Vans Blacksmithing.
- No new registrants can be added once a scheduled course has commenced.
- Please be aware that there is no guarantee of completed projects as this is subjective to the participant's skill and time missed.
- Participants must cancel their course with a min 3 weeks notice to receive their course fee refund. "No Show" for a class will not be entitled to any refund or rescheduling of the missed class.
